

SAP FI/CO Consultant (f/m) – for the beginning Netherland based

attune - premier global Solution Provider to the Fashion and Sports Industries

Operating within the global Fashion and Sports Industries, we are proud of our unique talent to maximize our customer's performance by offering in depth industry and solutions expertise across the entire supply chain. attune has direct and trusted long term business relationships with companies like adidas, Benetton, Burberry, Camper, G-Star, Keen, Strellson, Timberland, Tommy Hilfiger and several others.

Your Success is our Success

Our consultants are renowned for their technical expertise and their dedication to their customer's needs. We are set for further expansion and are looking for new team members for attune's FI/CO Practice in Europe.

If you meet the following criteria we would like to talk to you:

- Customer service orientation and team spirit
- At least 3 years SAP FI/CO implementations/support experience
- Previous AFS exposure is preferred
- Good communication and interpersonal skills and a good team player
- Conceptual knowledge of other SAP products (SD, MM, PP, BW) would be an advantage

We offer all required on-boarding activities to make you part of our team of Fashion & Sports experts. We offer cross over training for the Fashion & Sports industry, SAP-AFS and our own developed best practice solutions and tools for wholesale, brands etc. We offer a competitive salary package and an exciting dynamic, multicultural work environment with plenty of opportunities for development. You will be based in Europe, and it is likely that your first deployment will be in the Netherlands.

If you think you have what it takes to transform the business of style, we'd like to hear from you!
